1. Grounds for the conclusion of the Public Contract	Framework Agreement No 3-4/322 concluded in 23.02.2022 (procurement reference number 238233), Contracting Authority ... order (procurement reference number 247605) and Contractor ... Tender
2. Object of the Public Contract	lease, supply and install twenty-nine (29) digital Booths as described in Annex 2. The Contracting Authority is also provided with second-level technical support for digital kiosks in accordance with clause 12.1 of the Technical Specifications (Annex 2). The capturing Booths set forth in clause 1.1.4 of the Technical Specifications are delivered to the PBGB service points all over Estonia. Information on the addresses of service points is available on the PBGB's website at www.politse.ee . The exact information on the addresses and number of Booths

	at those addresses will be provided minimum of 8 weeks before delivery dates.
3. Source of funding	State budget

4. Performance of the object of the Public contract	
4.1.	The time limit for delivery of the object of the Public contract set forth in clause 2 shall be following: <ul style="list-style-type: none"> 4.1.1. one (1) digital Booth to the location set forth in clause 1.1.1 of the Technical Specifications no later than on 1 August 2022; 4.1.2. two (2) digital Booths to the locations set forth in clauses 1.1.2. and 1.1.3. of the Technical Specifications no later than on 14 October 2022; 4.1.3. twenty-six (26) digital Booths to the locations set forth in clauses 1.1.4. of the Technical Specifications and in clause 2.1. of the Framework Agreement No 3-4/322 no later than on 2 December 2022. The exact locations will be specified minimum of 8 weeks before the delivery date.
4.2.	The rental period of the object of the Public contract is 48 months.
4.3.	The rental term of the object of the Public contract and the calculation of the payment of the rent of the digital Booths start from the day of signing the record of delivery and receipt of the object of the Public contract.
4.4.	The the record of delivery and receipt shall be drawn up in accordance with the provisions of the framework agreement.
4.5.	In matters not agreed upon in this Public contract, the provisions of the Framework Agreement shall prevail.

5. Value of the Public contract and settlement procedure	
5.1.	The total value of the Public contract is... euros plus VAT, including, inter alia, the fees for the intellectual property rights, if applicable. <ul style="list-style-type: none"> 5.1.1. the rental price for one (1) calendar month of one (1) digital Booth set forth in clauses 2 and 4 of this Public contract is euros excluding VAT.
5.2.	The price set out in clause 5.1.1 is final for the Contracting Authority and include all costs necessary to fulfil the Terms and Conditions of the Framework Agreement and the Public contract, including the transport and installation of the digital Booths referred to in clauses from 1.1.1 to 1.1.4. of the Technical Specifications and in clause 2.2 of the Framework Agreement.
5.3.	The Contractor shall submit to the Contracting Authority an invoice for the rental of digital Booths once (1) a calendar month by the 5th (fifth) day of each calendar month.
5.4.	The Contractor shall send the Contracting Authority e-invoices under the Estonian e-invoice standard. In addition to the data specified in the standard, the e-invoice must include the surname of the Contracting Authority's contact person and the public procurement reference number and the Framework Agreement number and the order reference number (if any) and the public contract number if the public contract is awarded on the basis of an e-procurement environment. The e-invoice must be sent via the e-invoice operator Fitek AS (please find more information at http://www.fitek.ee/). The e-invoice is considered to be received from the date of its receipt by Fitek AS. If the Contractor is not able to send invoices in an .xml format or e-invoices, an invoice in .pdf format must be submitted to the e-mail address at arved@smit.ee . The name of the file must include the name of the Contractor followed by the invoice number. The invoice submitted by the Contractor shall include the public procurement reference number, Framework Agreement number, the order reference number (if any) and the public contract

number if the contract is awarded on the basis of order submitted via the e-procurement environment, the name of the Contracting Authority's contact person, the bank details necessary for making the payment and comply with the requirements of the VAT Act. An invoice that does not comply with the Terms and Conditions set forth in this Contract shall not be deemed payable.

5.5. Payment of the invoice shall be made within 21 (twenty-one) calendar days after the receipt of the invoice compliant with the contractual requirements submitted by the Contracting Authority.

6. Validity of the public contract

6.1. The public contract enters into force as of the moment the Parties have signed the public contract.

6.2. The public contract shall be valid until the fulfilment of the contractual obligations.

6.3. The Contracting Authority has the right to extend the rental period set forth in clause 4.2 up to 24 months, if necessary. As a result, the amount of the total value of the Agreement established in clause 5.1 of the Agreement may also go through changes. Upon extension of the public contract, the monthly rental cost of one digital Booth that was the basis for concluding the public contract shall remain valid.

6.4 The Contracting Authority shall notify the Contractor in writing at least 30 days in advance in a form that can be reproduced in writing.

7. Annexes to the Agreement
