Our 20.06.2025 No 7.2-4.3/3984-1

**Response Regarding the Incident on May
8, 2025, at Kajaka 15, Sillamäe**

Dear Sir,

Estonian Rescue Services Agency does not own or manage the video surveillance system installed at the building located at **Kajaka 15, Sillamäe**. Therefore, we are **not in a position to provide access to any video footage**. We recommend that you **contact the property owner or the building management company** directly, as they are responsible for the maintenance and storage of surveillance recordings.

You can read **the press release about this call on the official website of the Rescue Services Agency** via this link: <https://www.rescue.ee/et/uudised/oeoepaeeva-operatiivinfo-8b115c-2903>.

Regarding the incident on May 8th, 2025, we regret to inform you that we are unable to provide any further information. The emergency response involved other individuals whose personal data and circumstances we are not authorized to disclose without their consent. Sharing additional details with third parties would be a violation of personal data protection laws and could infringe upon the privacy rights of those involved.

Additionally, we would like to inform you that a **follow-up inspection** was carried out by the Eastern Regional Rescue Service on **June 19th, 2025** at the same address. **No evacuation-related violations were identified** during the inspection. This was communicated to you in official correspondence under **reference number 7.2-2.3/2669-3**.

(digitally signed)

Artjom Ivanov

Chief Inspector, Bureau of Safety Supervision
