Dear Mr Mitt,

I wish to thank you for the contribution of 1,542.00 USD made by the Republic of Estonia to the Fund for the Elimination of Doping in Sport in 2025. Made during the 20th anniversary year of the International Convention against Doping in Sport, this contribution reaffirms your government's meaningful commitment to the Convention's enduring effectiveness and impact.

Your country's yearly investment in the Fund supports the implementation of its Operational Strategy 2020-2025, ensuring that "No State Party is Left Behind". Contributions also ensure the effectiveness of the decisions made by the Conference of Parties (COP) to the Convention.

This contribution, alongside the one made in 2024, will be included in the Fund's financial statement, which will be submitted to COP10 (20-22 October 2025). I welcome this opportunity to thank your Government for its continued engagement in the Fund, in particular as member of the Approval Committee.

Looking forward to your country's participation in COP10, I remain,

Yours sincerely,

Gustavo Merino
Director
Division for Social Policies
