**About Taiwan Smart Medical &
HealthTech Expo**

In 2026, as global leaders gather in Geneva for the 79th World Health Assembly (WHA), the Ministry of Foreign Affairs, Republic of China (Taiwan) proudly presents the Taiwan Smart Medical & HealthTech Expo. Echoing the spirit of "WHO Cares? TAIWAN Cares!" this premier event showcases Taiwan's unwavering commitment to global public health.

Discover Taiwan's world-class capabilities across three core themes: Smart, Innovative, and Resilient Healthcare. We invite you to explore this premier showcase featuring Taiwan's Top 9 medical centers, award-winning technologies, and next-generation AI solutions. Join us in Geneva to forge strategic partnerships with top-tier innovators, secure robust supply chains, and collaboratively advance global public health.

Exhibition Highlights

Smart Healthcare

AI-Assisted Diagnostics : Real-world applications currently optimizing patient outcomes in major medical centers.

Resilient Healthcare

Telemedicine Platforms : Solutions bridging the gap in rural and international healthcare access.

Innovative Healthcare
