Dear Vladimir,

Thank you very much for the great phone call.

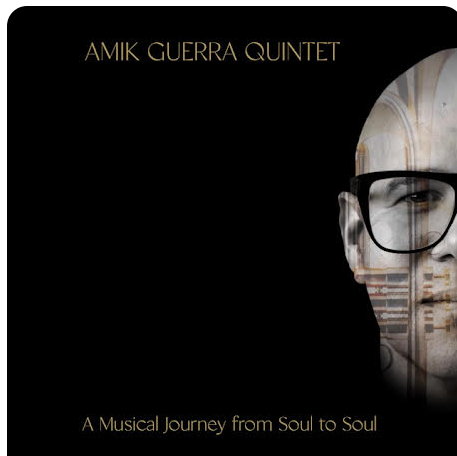

As discussed, here are some links with my details. I am excited about the opportunity to collaborate with you on the EEA Grants project for Liechtenstein.

It would be fantastic to work together and exchange some amazing music. Wishing you all the best with the festival next week!

Best regards,  
Amik Guerra

My last album on Spotify

A Musical Journey from Soul to Soul  
[open.spotify.com](https://open.spotify.com)

The album had been recorded live with a audience and reflect the mix of all the cultures I had been in contact for the last 30 years..here is the video recording of the album,as is a private link I kindly ask you to used only for yourself as a idea of what kind of project im leading now.

I had been on stage and studio with several big names of the international jazz and pop scene..Roy Hargrove,Horacio Hernandez,Billy Cohbam,Michael Brecker,Luciano Pavarotti and much more..

Here the link to the full studio session
