ESTONIA

Dear General Palm:

On behalf of the United States Army Europe and Africa, I would like to extend my warmest regards to you and your soldiers on the occasion of Estonia's Independence Day on February 24.

As Estonia continuously demonstrates its unwavering commitment to freedom and independence, I would like to express my enthusiasm for the cooperation between our Armies and recognize the success and professionalism of your Armed Forces. The United States Army Europe and Africa sincerely appreciates the contributions of your soldiers and your continued commitment to NATO security.

On this important day, we salute you and your exceptional soldiers!

Sincerely,

Darryl A. Williams
