Dear Wiesław,

Dear General Kukuła,

Today we received information about the death of two Polish soldiers during an exercise at the Drawsko Pomorskie training area. This is extremely sad to hear. The loss of each man in a peacetime exercise leaves a mark on the performance of wartime tasks.

Our thoughts are with you, the Polish Armed Forces and the families of the deceased in this time of sadness.

Please accept my deepest condolences.

Sincerely yours,

Martin Herem  
General  
Commander of the Estonian Defence Forces
