

## Consent for Collaboration

Dear Green Tiger Team,

We, at BJØRK Innovation, are pleased to express our consent to collaborate with Green Tiger on the activities, related to an application for Norway Grant. We believe that this partnership aligns well with our values and goals, and we are excited about the potential impact we can achieve together.

Please consider this letter as our formal agreement to proceed with the proposed collaboration. We are committed to contributing our expertise to ensure the success of this initiative.

Should you require any further information or documentation from our side, please do not hesitate to reach out.

We look forward to a successful and fruitful collaboration.

Best regards,

**Marcus Lind Nerhoel**
