Dear Minister,

It is my honour to invite you to participate in the **LTG Forum on Military Mobility and Resilience**, which will take place on **17 February 2026** at the **Radisson Blu Lietuva Hotel** in **Vilnius**.

Russia's war of aggression against Ukraine has underscored the critical importance of resilient, dual-use infrastructure for Europe's deterrence and defence. Strengthening rapid military mobility across the Eastern flank – through interconnected rail, road, port, airport, energy, and telecommunications networks – remains a shared priority for both NATO and the EU.

In cooperation with the leading organizer of the Forum, LTG Group, we are convening this high-level event to advance military mobility as a strategic European objective. The Forum will highlight policy and funding needs ahead of the next EU Multiannual Financial Framework, promote cross-sector and cross-border cooperation, and share practical lessons from Ukraine's wartime experience.

The Forum will gather ministers from Lithuania, Poland, Ukraine, Germany and Baltic partners; senior officials from NATO, the European Commission and Members of the European Parliament; as well as leaders from the transport, energy, telecoms, and finance sectors.

Held under the patronage of the **President of the Republic of Lithuania**, the Forum will provide a significant platform for coordinated action. It would be a privilege if you could join one of the high-level panels to share your perspective on advancing Military Mobility Corridors and infrastructure resilience. Your insights would be invaluable in shaping coordinated policies and funding priorities across Europe.

I would like to kindly ask you to confirm your participation and indicate your availability for panel involvement at your earliest convenience. Please send your response to the following contacts: Andrius Jovaiša, e-mail: andrius.jovaisa@ltg.lt, Rokas Tamulevičius, e-mail: rokas.tamulevicius@sumin.lt.

My team remains at your disposal for any further information. In addition, please find a preliminary event programme in the attachment to this letter.

I look forward to welcoming you to Vilnius.

Yours sincerely,

Juras Taminskas
Minister
