## Digitaler Staat 2026 – Our sincere thanks for your commitment

Dear Minister Pakosta,

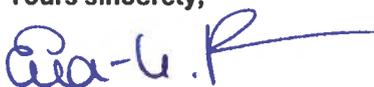

Your active participation in the *Digitaler Staat 2026* Congress contributed significantly to the success of the event. We are very grateful for your strong support of the congress itself as well as for Estonia's hospitality at the Estonian Embassy in Berlin.

Your insights into the digitalisation initiatives under your leadership greatly enriched the congress. Your remarks on governance, digital sovereignty and the principle of trust as a foundation for government digitalisation clearly demonstrated the key conditions required for an effective and forward-looking digital public administration. We would like to express our sincere thanks for this.

In total, more than 1,600 people attended the congress. The individual forums and side events were also very well received.

We hope that you enjoyed the congress as much as we did. I would already like to extend a warm invitation to the next *Digitaler Staat 2027* Congress, which will take place on 2–3 March 2027 at Hotel Andel's in Berlin. If you have any suggestions or would be interested in participating again, we would be very pleased to hear from you.

Yours sincerely,

Publisher and Editor-in-Chief
