Hi Kaupo

We can produce a replacement tube as per pictures provided.

Price for the tube only is £6,600.00:

- Made from Red Etna 1300gsm Hypalon
- 5 chambers with black D7 Inflate /deflate valves and black A6 3.25PSI pressure relief valves
- 2 x black standard moulded cone ends

Loose fitting kit and accessories are £3,500.00

- 2 rows of black small rubbing strake
- 3 x anti slip patches in the bow from Military grey Hypalon
- 6x Black cleat handles
- 10 x webbing loop lifeline patches
- 8m of black 3 strand polyester rope
- 4m of Red Etna Hypalon precut in strips for fitting

Shipping is to be calculated and added

Lead time is 10-12 weeks from order confirmation and 50% deposit payment

Kind Regards
