Subject: Notification letter - Your application for the Specific Action “Uptake of innovative digital technologies, including Artificial Intelligence, by Law Enforcement Authorities – INNO” ISF/2026/SA/3.4.3 under the Internal Security Fund (ISF) – ISF/2026/SA/3.4.3/001

Dear Mr Tarmo Miilits,

Thank you for your application ISF/2026/SA/3.4.3/001 *Innovative Digital Solutions for Tackling Human Trafficking and Organised Crime: Piloting EU Research Results* following the call for expression of interest launched on 17 November 2025.

DG HOME has assessed the 10 admissible proposals based on the three assessment criteria listed in the call. As a result of this exercise, and in line with section 4.1 of the call, we regret to inform you that your application was **unsuccessful**.

The application scored low on Criterion B - Quality (sustainability of the project not adequately demonstrated; undetailed national deployment roadmap and missing financial and legal model proposal towards IPR management, product servicing, updating or scaling up) and Criterion C – Impact (insufficient and vague description of EU added value and involvement of national parties and EU entities; weak transferability and links to European strategic autonomy).

If you need further clarifications, please contact HOME-ISF-SPECIFIC-ACTIONS@ec.europa.

Yours faithfully,

Elvira BAKKER
Head of Unit
