

An aerial photograph of a forested area, likely in a rural or undeveloped region. A prominent red line outlines a large, irregularly shaped parcel of land. Within this red-outlined area, there is a smaller, roughly rectangular section in the lower right corner that is filled with red diagonal hatching. The majority of the land is covered in dense, green coniferous trees. To the right of the main red-outlined area, there is a clearing with two small, simple buildings, possibly a farm or a small settlement. A paved road runs along the bottom right edge of the image, and another road or path runs along the top right. Various alphanumeric codes are overlaid on the map, including '35203:003:0381', '35203:003:0382', '35203:003:0460', '35203:004:0122', '35203:003:0460', '35301:001:1378', '35301:001:1401', '35203:003:0035', and '35203:003:0036'. The text 'Maa-amet' is repeated multiple times across the image, indicating the official source or authority of the map.
