

INVITATION

MOSQUITO-BORNE DISEASES CONFERENCE

09 - 10 June 2026

Dear Colleagues,

The Cyprus Presidency of the Council of the EU, is pleased to invite you to participate in the Mosquito-Borne Diseases Conference which will take place in Lefkosia (Nicosia), on the 10th of June 2026.

The conference aims to inform, raise awareness and facilitate the exchange of best practices and policies for promoting healthier populations through the prevention and control of mosquito-borne diseases. Your participation and contribution would greatly enrich the Conference and foster meaningful and inspiring dialogues throughout its proceedings.

The main conference day will feature a structured programme of sessions focusing on key thematic areas, including the current landscape of mosquito-borne diseases, recent advances in surveillance and control strategies, and approaches to strengthening preparedness, prevention, and response across Europe. The sessions are designed to promote knowledge exchange and collaboration in addressing the challenges faced in implementing integrated and holistic policies aimed at improving public health outcomes through enhanced prevention, surveillance, and control of mosquito-borne diseases.

We expect delegations to arrive in Cyprus on 9 of June 2026. In anticipation of your arrival we warmly invite you to an informal welcome dinner in Lefkosia (Nicosia).

For registration purposes in the Presidency's accreditation system, each delegate is required to create an individual account by selecting their own login credentials (email and password), verify their account and then register using the individual access code for the meeting that will be sent to them

via email. To receive the individual access code required for registration for the meeting through the accreditation platform, you are kindly requested to send an email to vectorborne.cy26eu@mphs.moh.gov.cy no later than 12/5/2026. Participants are requested to complete registration process as soon as possible and, in any case, before the platform's closing deadline indicated in the attached Practical Information Note (PIN).

The PIN also includes details on logistic arrangements. For your information the preliminary agenda of the meeting has been incorporated into the document. The final agenda and / or discussion papers or steering notes, will be circulated to all delegates prior to the meeting, in due time.

We look forward to welcoming you to Lefkosia (Nicosia) in June and we are confident that you will enjoy a fruitful and memorable event.

Yours sincerely,

Dr. Elisabeth Constantinou
