Confirmation letter to co-finance the relevant
competence centre together with the Union

Dear Mr Kinaret,

Mr Ahti Kuningas, in representation of The Ministry of Economic Affairs and Communications
declares the following:

Should the proposal of Estonian Business and Innovation Agency with included partners from
Estonia be awarded, the Ministry of Economic Affairs and Communications will commit the
necessary national co-funding of EUR 300 000 EUR per year, with a maximum of EUR 1 200 000
per the duration of the full project, to co-finance the relevant competence centre together with the
Union.

Please note that with this contribution Estonia is providing a lower national contribution than the
maximum Union possible contribution of 1 million euros per year, acknowledging that this will
lead to a similar lower annual Union contribution.

With best regards,

Ahti Kuningas
Secretary General
