**H.E. Liisa-Ly Pakosta,
Minister of Justice and Digital
Affairs of the Republic of
Estonia**

Your Excellency Mrs. Liisa Pakosta!

On behalf of the Ministry of Digital Development, Innovations and Aerospace Industry of the Republic of Kazakhstan, it is great pleasure to invite you to join us as an esteemed guest at the **VII International Forum “Digital Almaty 2025: Industrial AI: Technologies for a New Era”** (*hereinafter - Forum*), which will be held **from January 31 to February 1, 2025, in Almaty, Kazakhstan.**

Digital Almaty is a flagship annual forum dedicated to digital transformation, where industry leaders, government representatives, and startups from Kazakhstan and around the world come together to foster partnerships and share expertise in the field of digitalization. The Forum serves as a premier platform for driving innovation, advancing artificial intelligence and promoting digital development.

The 2025 Forum will host a distinguished delegation of government officials, representatives of international organizations and executives from leading IT companies globally. The program is packed with specialized activities, including exhibitions, startup showcases, hackathons, panel discussions featuring renowned speakers and the highly anticipated startup battles. This year’s highlights include 47 panel sessions, more than 30 bilateral meetings, and the signing of several memorandums and cooperation agreements. We expect over 20,000 visitors, 230 exhibitors and 300 highly qualified speakers.

This unique format provides an excellent opportunity for the exchange of international experience in the field of information technology and artificial intelligence, where experts will discuss the challenges and prospects of digital transformation.

Key focus areas include Startups Development, Business Process Outsourcing (BPO), the implementation of New Technologies in the real Economy Sector, Investment Opportunities, Innovations, AI, Cloud Solutions, Digital Government, improving Interaction between the Government and Businesses, and others.

Please accept our warmest regards and highest consideration. We look forward to your participation and contribution to making “Digital Almaty 2025” a resounding success.
