Thank-you letter

Dear Renatas,

I would like to express our sincere gratitude for the warm hospitality and the exceptionally well-designed program that was prepared for our delegation during our recent visit to Lithuania.

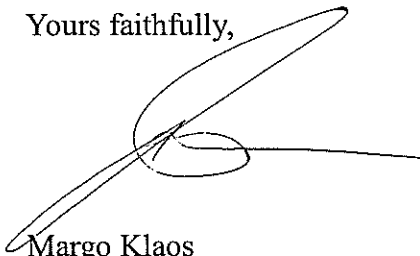

We greatly appreciated the opportunity to learn more about the work of the Fire and Rescue Department, as well as the insightful visits to the National Crisis Management Centre, municipalities, training facilities and operational units. The program was not only highly professional and informative, but also clearly reflected your team's strong commitment to civil protection, preparedness and international cooperation.

Our institutions share long-standing, friendly and sincere relations, and this visit once again confirmed the value of our close cooperation and mutual trust. We highly value the open exchange of experience and best practices between our services, and we are confident that this collaboration will continue to grow even stronger in the years ahead.

I would also like to take this opportunity to inform you that in the near future we will be sending out invitations to participate in the traditional Baltic Championship taking place at the end of July in Tõrva, Estonia. Alongside the teams, we also warmly invite representatives of the rescue services' management to attend and support this important event.

Once again, thank you for your generous hospitality, excellent organization and the warm welcome extended to our delegation. We look forward to continued close cooperation and to welcoming you to Estonia in the future.

Yours faithfully,

Margo Klaos
Director-General
