## **High-level meeting on Artificial Intelligence for Health: Practical Solutions for a Healthy Future 19 November 2025, Mellieha, Malta**

Dear Madam,

I have the pleasure to invite you to the aforementioned event organized by the WHO Regional Office for Europe (WHO/Europe), with the kind support provided by the governments of Malta and Portugal, as well as the European Commission.

This high-level meeting aims to engage Member States, partners and key thought leaders in a dialogue addressing the pressing challenges and opportunities for artificial intelligence (AI) and health systems in the WHO European Region, with a particular emphasis on sustainable models for AI implementation at country level in areas such as workforce optimization, genomics and precision medicine. The meeting will bring ministers and decision-makers relevant to the national digital transformation and AI agenda together for a high-level policy dialogue to explore practical approaches that will help foster investment in high-quality solutions to shape the future of AI for the long-term prosperity of populations across the Region.

We look forward to receiving your nomination to attend this meeting at your earliest convenience and no later than 11 July 2025. Please send your reply to [EUHIUDATA@who.int](mailto:EUHIUDATA@who.int), including the name, functional title, address and email address of the proposed participant. Our office will then communicate directly with the nominated representative and, in due course, provide them with the necessary documentation and administrative information. Should you have questions regarding the event, please address them to [EUHIUDATA@who.int](mailto:EUHIUDATA@who.int).

The working language will be English, with simultaneous translation into Russian. Please find attached the provisional programme and the scope and purpose for the meeting.

If your government is able to fund the travel and accommodation costs, we would be very grateful, as WHO/Europe has limited funding for this event. However, if adequate funds are not available, please notify us as soon as possible and WHO/Europe will endeavour to cover the travel expenses and a daily subsistence allowance for one nominated official, in accordance with WHO's rules and regulations.

---

Due to space constraints, additional nominations are unfortunately not possible. We appreciate your understanding.

Yours very truly,

Dr Hans Henri P. Kluge  
Regional Director
