**APPLICATION FOR RECTIFICATION OF COPYRIGHT PUBLICATIONS AND
ISSUANCE OF COPYRIGHT REGISTRATION CERTIFICATES UNDER
ORGANIZATION NAME**

We have applied for the 90 copyright registrations for audio record work class as mentioned in all applications forms II but applications have been published in Literary class erroneously instead of Record class in the June copyright ejournal. Please rectify this error. The application numbers range started from 2024/2460 to 2024/2570 according to the month of June copyright ejournal.

Furthermore, we need all copyright registration certificates under our organization name **SILSILA-E-MUHAMMADIA AMEENIA IDREESIA** as per all applications form II according to Intellectual Property Rights under the copyright laws. All record work registrations certificates should be showing our application colored letterhead thumbnail title image for the symbol purpose of our brand identity. We have attached color title pages for new 200 record work applications and 100 previous record work applications.

We have also found a minor error in the title name of all copyright applications that needs to be rectify as well. All titles include the narrations "**(IN THE VOICE OF AL-MOHTARAM AL-HAFIZ AL- SHAIKH AMEEN BIN ABDUR RAHAMN SAHIB)**". The work "**RAHAMN**" is not correct so please correct the work "**RAHMAN**" in all the copyright applications titles.

Currently, we're facing a massive level of **copyright infringement** of our brand mark name and other products content on the web so we want to get copyright registrations certificates under our organization name **SILSILA-E-MUHAMMADIA AMEENIA IDREESIA** as soon as possible.

Thank You.
