

Tallinn 04.04.2025

Plastone OÜ company name has been changed to KB Components Estonia OÜ

Dear Valued Partner,

We informed you about an important change in our company in December 2024:

Swedish plastic products contract manufacturer KB Components AB has acquired the shares of Plastone Finland Oy from Saxo Oy, including its subsidiary Plastone OÜ. With this acquisition Plastone's customers will have more options for manufacturing their new products, with expanded technologies, resources, and geographical locations.

Now we would like to announce that we have completed all the formal changes related to this acquisition process and you can find our updated contact information below.

Company name:

KB Components Estonia OÜ

Taevakivi 3, Tallinn 13619, Estonia

Registered Office: Tallinn, Reg.No. 11063274

VAT Reg.No. EE100956368

www.kbcomponents.com

Important contact addresses:

Sales - sales.estonia@kbcomponents.com

Purchasing - purchasing.estonia@kbcomponents.com

Quality - quality.estonia@kbcomponents.com

All other contacts are in following form – firstname.lastname@kbcomponents.com

Our company is moving to electronic invoices.

We will receive e-invoices.

If you already have a service provider for e-invoices, more information about sending e-invoices to our companies will be given to you by your own e-invoices service provider's customer service.

Our service provider for e-invoices is Fitek.
