

Scandinavian Executive Breakfast

Event Concept Overview – December 2025

Organized by: Scandinavian Chamber of Commerce in Estonia

Location: Central Tallinn (venue TBD)

Frequency: Bi-monthly

Launch Date: September 2025

Audience: 30–40 participants per session (business leaders, executives)

Purpose & Vision:

The Scandinavian Executive Breakfast series aims to strengthen dialogue between the public and private sectors in Estonia. With a focus on current economic, regulatory, and strategic issues, these morning sessions will provide Chamber members the opportunity to engage directly with high-level civil servants, institutional leaders, and experts on key topics affecting business in Estonia and the Nordic region.

The Scandinavian market plays a crucial role in Estonia's economy, and there is a significant presence of Swedish, Norwegian, and Danish companies operating in the country. These businesses contribute substantially to employment, innovation, and trade, making it essential to maintain a well-informed and open channel for dialogue with policymakers.

Objectives

- Facilitate open and constructive dialogue between policymakers and business leaders
 - Deepen understanding of Estonia's policy and economic landscape
 - Provide members with early insights on upcoming regulatory or market shifts
 - Strengthen the Scandinavian Chamber's role as a platform for informed discussion and policy feedback
-
