Gdynia <sup>29th</sup> April 2026

**Commodore Ivo Värk  
Commander of the Estonian Navy**

*Commodore, Dear Ivo,*

It is a great honor and a privilege to extend an official invitation to the Estonian Navy to participate in the Naval Parade commemorating the Polish Armed Forces Day.

The ceremony will be held on August 15, 2026, in the waters of the Gulf of Gdańsk.

The Polish Armed Forces Day is a moment of profound national pride, marking the anniversary of the Battle of Warsaw. In the spirit of our shared values and defense objectives, we believe that the presence of our NATO allies from the Baltic region will serve as a powerful symbol of unity, strength, and mutual commitment to the security of our shared maritime borders.

Your Navy's participation would be a distinguished addition to the celebrations, further strengthening the bonds of cooperation between our maritime forces. We would be honored to welcome your vessel and crew to join the Polish Navy in this commemorative event.

Further technical details, including mooring information, logistics, and the specific sequence of the parade, will be shared following your preliminary confirmation of attendance.

We look forward to the prospect of celebrating this significant occasion together with your esteemed service.

Please accept, Distinguished Commander, the assurances of my highest consideration.

For any logistical inquiries or to confirm participation, the Point of Contact for this event is Commander Marcin Leszczyński (m.leszczynski@ron.mil.pl).

*Yours sincerely,*

**Jarosław ZIEMIŃSKI**

**Rear Admiral**
