ECDC NORMAL

Dear Network Colleagues,

The European Centre for Disease Prevention and Control (ECDC) has started the planning of organizing the 13th FWD-Net Annual Network Meeting in 2024.

The meeting is set to take place over two sessions. The first session, to be held on 17 September, will be an open session primarily focused on sharing information and presentations. Following this, on 18 September, a second session dedicated to consultative discussions is planned.

The meeting will take place digitally on the following days:

17 September 2024 - 13:00-17:00 CET (open)
18 September 2024 - 09:00-12:30 CET (closed)

The participation in the 18 September session is exclusively to the nominated experts. For this session, we will send a separate request to the National Focal Points for Food- and Waterborne Diseases and zoonoses (NFPs for FWD) for nominating two experts per country.

The agenda of the meeting is currently under preparation, and we welcome any suggestions of presentations you would like to present to your colleagues on the afternoon, 17 September 2024.

On 18 September, we have reserved time for moderated discussions on topics of common interest. We would therefore welcome any suggestion on possible topics you would like to discuss with your colleagues in other countries in the breakout rooms.

Please, send us your suggestions on presentations for 17 September and on topics for 18 September by replying to this email by 24 May 2024.

If you have any queries, please do not hesitate to contact the FWD team () or Johanna Takkinen ().

Thank you in advance for your ongoing support and commitment.

Kind regards,
Viola Dylmishi
On behalf of the ECDC FWD Team
