the International Freedom Theatre Festival**

We hereby confirm that the Ministry of Culture of Estonia supports the International Freedom Theatre Festival, organized by Vaba Lava in Narva, Estonia, from August 15–19, 2025.

The International Freedom Theatre Festival is a significant cultural event that enhances Estonia's performing arts scene and promotes international collaboration. The Ministry of Culture recognizes the value of such cultural exchanges in strengthening global artistic connections and fostering diversity within Estonia's cultural landscape. In recognition of its importance, the ministry has provided financial support of 104,000 euros to support the festival's organization and success.

In this regard, we kindly recommend granting the necessary visas for the invited artists from Maas Foundation (Pakistan) to travel to Estonia from August 12 to August 26, 2025.

Yours sincerely,
