Transportation Administration  
Republic of Estonia

September 9, 2025

Dear Mr. Director General,

In response to your letter No. 11.1-12/25/12606-2 dated 20 May 2025, I am delighted to inform you that, based on the principle of reciprocity, my government has authorized all nationals holding a valid Estonian national driving license along with an International Driving Permit (IDP) to drive in Taiwan.

This wonderful development achieved through the dedicated and collaborative efforts of our two governments, marks a significant step forward in strengthening people-to-people exchanges. We are confident that this reciprocal arrangement will serve to deepen the mutual understanding and friendship between our two peoples, further enriching the longstanding and valued relationship between our countries.

I would like to express my heartfelt gratitude for your kind and prompt assistance in facilitating the mutual recognition of driving licenses. Please accept the assurances of my highest consideration.

Sincerely yours,

Andrew H.C. Lee  
Representative
