H.E. Tiit Riisalo
Minister of Economic Affairs and Information Technology
Republic of Estonia

Dear *Excellency*

**INVITATION TO THE 9th SINGAPORE INTERNATIONAL CYBER WEEK, 14
TO 17 OCTOBER 2024**

It is my pleasure to invite you to the 9th Singapore International Cyber Week (SICW), taking place from 14 to 17 October 2024.

The theme of this year's SICW is "**Trust and Security in the Digital Era**". This year's theme recognises the vital need to foster trust and cooperation in digital and cyber security issues between States on one hand, and between governments and industry on the other, in an increasingly fragmented global digital and cyber landscape – one that is challenged by several ongoing conflicts, geopolitical and economic contestation, supply chain vulnerabilities and increased pressure on democratic process in what is now being termed as a 'global election year'. The 2024 SICW will seek to advance discussion on these issues through key events including the **SICW Summit**, the **SICW High Level Plenaries**, and a series of **SICW Panels** focusing on diverse cybersecurity policy, operational, technical and diplomacy topics.

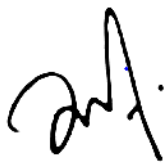

I have no doubt that your participation and perspectives will greatly enrich our discussions. My colleagues will be glad to work with your office to curate your participation and ensuring a fruitful visit to Singapore.

Please RSVP to Ms Farhanah Hussin Bagharib, Ms Leong Kai Jing, and Ms Humairah Abduh at SICWContact@csa.gov.sg by **31 July 2024**. You may also contact Ms Bagharib, Ms Leong, and Ms Abduh at the same email address with any queries. Detailed administrative and programme information will be sent to delegates in due course.

I look forward to meeting you in October.

Yours sincerely,
