Subject: Invitation – European Business Summit – 20-21 November 2024

Dear Minister,

I have the pleasure to invite you to participate in the 24th edition of our flagship event, the **European Business Summit (EBS)**. It will take place on **20-21 November 2024** at the Egmont Palace in Brussels, enabling exclusive in person networking moments with hundreds of participants.

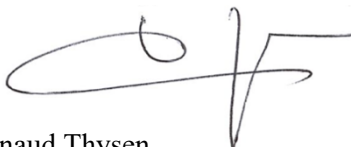

On the theme “**Investing in Europe: towards the next five years and beyond**”, in the aftermath of the elections, the Summit will focus on the next mandate of policymaking in Europe, with a keen attention on investments designing the future of Europe. The role of the EU is becoming key in a broader and more unstable context, increasing the need to focus on themes encompassing trade, industrial policy, digital and green transitions, competitiveness and the core values of the EU.

I thank you for your consideration, and hope that we will be able to benefit from your participation in one of our high-level sessions, which will be moderated by our media partners (FT, WSJ, Bloomberg TV, CNBC)

My team and I are entirely at your disposal for any further information you may require.

Looking forward to your highly appreciated support.

Yours sincerely,

Arnaud Thyssen
Director General
