**THE PARLIAMENT**  
*Office of the Speaker*

Tirana, on 19.06.2026

Your Excellency, Mr. President Hussar,

I would like to wholeheartedly thank you for the visit the delegation of the Parliament of Albania and myself paid to the Riigikogu on June 2, as well as for the warm and productive meeting we had with you, the Committee on European Affairs and the Riigikogu's Friendship Group with Albania.

I appreciate Your Excellency's willingness to strengthen the very good bilateral relations with Albania, grounded on our shared democratic values and commitment to European security, and to explore the potential for developing them even further, particularly in the areas of economy, innovation, culture, tourism and other areas. I greatly value your commitment to intensify cooperation between the Parliament of Albania and the Riigikogu, enhancing exchanges between parliamentary committees, friendship groups and parliamentary services.

Albania is deeply grateful to Estonia for its steadfast support of our European integration path, and we highly appreciate your reaffirmation that this support will continue as we pursue our strategic national objective: to conclude accession negotiations by 2027 and achieve membership in the European Union by 2030, based on merit, achievements and standards and implementation of transformative reforms. I also greatly value Estonia's position that enlargement remains a strategic priority for the European Union and that the integration of the Western Balkans is an investment in a more secure, resilient and united Europe.

Albania and Estonia, as active NATO members, will continue to support Ukraine's sovereignty, territorial integrity and the right to self-defense. We will also continue to strengthen our cooperation to protect peace, security and stability in our region, in Europe and beyond, considering this process as a contribution to the protection of democracy, freedom and our shared values. The 2027 NATO Summit in Tirana will be a significant milestone for Albania, the region and the Alliance.

I avail myself of the opportunity, distinguished Mr. President, to renew my invitation for an official visit to the Parliament of Albania, at a time convenient to your agenda.

With the assurances of my highest consideration,

**H. E. Mr. Lauri HUSSAR,**  
**President of the Riigikogu of the Republic of Estonia**  
**Tallinn**
