Your Excellency,

On behalf of the Tourism Committee of the Republic of Uzbekistan, I am honoured to invite you to participate in the 31st Tashkent International Tourism Fair “Tourism on the Silk Road – TITF-2026”, to be held from 25 to 27 November 2026 in Tashkent.

TITF-2026 is Central Asia’s premier and longest-established international tourism exhibition. It is expected to bring together more than 10,000 participants from around the world, including government representatives, tourism authorities, international organisations, hotel groups, tour operators, investors and other industry leaders. The Fair will provide a platform for destination promotion, high-level dialogue, B2B meetings and public-private engagement.

The business programme of TITF-2026 will feature a series of high-level forums, panel discussions and professional networking events. Among these, the First Tourism Investment Forum will focus on presenting Uzbekistan’s priority tourism and hospitality projects to international investors, operators and financial institutions.

Uzbekistan is entering a new stage of tourism development, with increasing emphasis on product diversification, modern infrastructure, private investment and internationally competitive standards of service. In this context, the participation of leading international institutions and industry representatives is of particular importance. Your presence would bring a valuable perspective to the discussions and help identify new opportunities for practical cooperation with Uzbekistan.

Should your schedule permit, I would be particularly honoured if you would address one of TITF-2026’s high-level sessions and share your perspective with the participants. I would also be pleased to welcome representatives of your delegation interested in the commercial and investment opportunities to be presented at the Fair.

The Organising Committee will receive you as a distinguished guest and coordinate the necessary programme, protocol and logistical arrangements. For further information and coordination, Mr Bekzod Nosirov may be contacted at fair@nationalprcentre.com.

I am confident that your participation would enrich the programme of TITF-2026 and contribute to the advancement of practical international cooperation in tourism. I look forward to welcoming you to Tashkent.

Yours sincerely,

Abdulaziz Akkulov
Chairman of the Tourism Committee
of the Republic of Uzbekistan
