Villu Kõve

Chief Justice of the
Supreme Court of Estonia

Dear Villu,

On behalf of the Constitutional Court of the Republic of Latvia, I wish to convey our most sincere congratulations to you and all members of the Supreme Court of the Republic of Estonia on the occasion of your Restoration of Independence Day.

This anniversary is a powerful reminder to all of us in Europe that freedom, democracy, and national identity must be safeguarded and renewed every single day. Especially in these challenging times, marked by geopolitical tensions and threats to the rule of law, it is our shared duty to protect the values that unite us – democracy, human dignity, and the right of nations to live in peace.

Constitutions across Europe protect statehood and our common values, but not on their own – it is through the will and commitment of our people and institutions that these values remain strong. United, we stand more resilient than we ever could alone. The friendship between our courts is built on trust, cooperation, and mutual respect. May this day inspire us to deepen our partnership further and to work together in strengthening justice, freedom, and solidarity for generations to come.

Please accept, once again, our heartfelt congratulations and our best wishes for the continued prosperity and strength of Estonia, its people, and its judiciary.

Elagu Eesti!

Yours sincerely,

Irēna Kucina

President of Constitutional Court of the Republic of Latvia
