## Invitation to the BNMM Working Group Meeting

Dear Colleagues,

I propose to hold the next BNMM Working Group meeting on 25 March 2025 in Tartu, Estonia. Representatives designated by the member states are invited to attend the meeting. Additionally, we would be delighted to welcome the Surgeon Generals of the member states should they wish to participate.

We kindly request preliminary feedback regarding the suitability of the proposed date by 31 January 2025 via email to [tarvo.luide@mil.ee](mailto:tarvo.luide@mil.ee), so that we can proceed with the necessary preparations for the event.

As an additional opportunity, we invite participants to join the "Sparrow Strike" exercise Guest Day on 26 March 2025, which will also take place in Tartu. This exercise focuses on medical units, and this year, in addition to Estonian units, we will have participants from the UK and French eFP, some U.S. medics, and a medical platoon from Belgium. We look forward to welcoming you to Tartu and await your feedback!

Sincerely Yours

Ahti Varblane, MD, MSc  
Lieutenant Colonel (res)  
Surgeon General  
Estonian Defence Forces
