Dear Ms Sõber,

**Second Member State consultation on
Renewed child and adolescent health and well-being strategy for the
WHO European Region**

Thank you very much for your engagement in the process of developing a renewed child and adolescent health and well-being strategy for the WHO European Region by nominating a focal point and by participating in the pre-consultation survey, which helped us understand the child and adolescent health and well-being concerns in your country.

The first formal consultation relating to this strategy took place online on **26 November 2024**. During this consultation, we presented the results of the survey and introduced the suggested process for developing the strategy, building on the identified priorities and successful country examples.

We would like to invite the nominated focal point(s) from your country to participate in the **second hybrid consultation** on **18–19 February 2025**. The meeting will be held **in Istanbul, Türkiye**.

We are pleased to offer, for one participant from your country, paid accommodation for a maximum of three nights, two lunches and one dinner and hope that you can fund the cost of the travel.

We will therefore appreciate your **confirmation of your country's mode of participation in the second consultation (in person or by Zoom) by filling in the online registration form as soon as possible and no later than 10 December: <https://forms.office.com/e/cz4BQbN3fs>**

Please address your reply to Dr Martin Weber (weberm@who.int) and Dr Sophie Jullien (julliensi@who.int), with a copy to petterssono@who.int.

We look forward to hearing from you.

Thank you very much for your support of this process.

Yours sincerely

Dr Natasha Azzopardi Muscat
Director
Division of Country Health Policies and Systems
