Very nice app.. Overall amazing . Te new layout is also very nice themewise and functioning as well . The wazaif downloaad option has also improved the app positively. Just one thing should be added to make the app perfect. Kindly add the following wazaif for wasy access: 1. Doosrah Tareeqa (70 no.) 2. Taqdeer ki dua (106 no.) 3. Hubb e Sheikh ki dua (16 no.) 4. Nazr e bad se hifazat ki dua (29 no.)

Salam bhai, facing an issue with app, it is showing error: "Handshake exception: Handshake error in client. OS error: Certificate verify failed: unable to get local issuer certificate (handshake.cc:354)"  
Amazing app Alhamdulillah. Daily notifications and daily mahafil makes you feel always connected and are great source for guiding.

Android exit app issue is resolved. But while playing any Naat Shrif, there is no sound in phone speakers. The sound came from ear speakers. You have to hold phone with hand with ears like while taking a phone call. Please fix this issue
