

**AGREEMENT ON ACCESS TO TRAFFIC REGISTRY DATA No. 3.2-5/23/1182-1  
TERMINATION**

**Estonian Transport Administration**, registry code 70001490, address Valge 4, 11413 Tallinn, represented by authorised representative Märten Surva, Head of the Vehicles Register Department (hereinafter referred to as the **Possessor**),

and

**Moller Digital Baltic SIA**, registry code 50203467101, address Dunties iela 3, LV-1013 Riga (hereinafter referred to as the **User**), represented by Managing Director Rytis Turčinas

(hereinafter jointly as the Parties), has concluded 19.06.2023 „AGREEMENT ON ACCESS TO TRAFFIC REGISTRY DATA No. 3.2-5/23/1182-1“ (hereinafter referred to as the Agreement).

Taking into account, that:

- (i) The Possessor has made a proposal by e-mail on 17.06.2025 (document register no. 3.2-7/25/11327-1) to conclude a new contract in connection with the change in the terms and price list of the data exchange platform effective from 01.01.2026, to which the User had to respond within two weeks from the moment the notification was sent. The e-mail also informed that if the Possessor is not notified of the conclusion of a new contract on time, the Possessor will send a notification of termination of the contract as of 31.12.2025;
- (ii) The Possessor sent an additional notification on 02.07.2025 for the conclusion of a new agreement;
- (iii) The User has not responded in writing to the proposal of signing the new contract, sent by the Possessor on 17.06.2025 and 02.07.2025;
- (iv) Clause 10.5 of the Agreement states: “The Parties have the right to terminate the Agreement at any time by notifying the other Party at least 30 days in advance.”

Based on the above:

1. To consider the agreement on access to traffic register data no. 3.2-5/23/1182-1 as terminated on 31.12.2025.
2. The termination of the contract has concluded in electronic form in English.
