Confirmation:

The bidder confirms that they have introduced the team members with the terms of the public procurement and that the team members have consented to be designated as team members by the tenderer and participate in fulfilling the procurement contract.

The tenderer confirms that the team members have given their agreement to make inquiries to the employers of the team members regarding their work experience if needed.

We confirm that the team members can communicate with the contracting authority in professional English.

NB! The contracting authority ensures the lawfulness of the processing of personal data and compliance with the requirements laid down in the General Data Protection Regulation (EU 2016/679) and other data protection laws.

Providing team members' data is necessary for the proper fulfillment of the concluded procurement contract and for the lawful conduct of the public procurement procedure preceding the conclusion of the procurement contract. The procurer requires the submission of data regarding team members in the public procurement to ensure the compliance of team members with the conditions set forth in the basic documents of the public procurement and the bidder's ability to correctly fulfill the procurement contract to be concluded, in which the team members personally participate in its immediate fulfillment. The procurer uses the data concerning team members only in the public procurement procedure and the procurement contract to be concluded.

Kinnitus:

Pakkuja kinnitab, et on tutvustanud meeskonnaliikmetele riigihanke tingimusi ning meeskonnaliikmed on andnud pakkujale nõusoleku enda meeskonnaliikmeks nimetamiseks ja osaleb hankelepingu täitmisel.

Pakkuja kinnitab, et meeskonnaliikmed on andnud nõusoleku hankijale, teha vajadusel meeskonnaliikmete tööandjatele järelepärimisi töökogemuse kohta.

Kinnitame, et meeskonnaliikmetel on võimekus suhelda tellijaga erialases inglise keeles.

NB! Hankija tagab isikuandmete töötlemise õiguspärasuse ning vastavuse isikuandmete kaitse üldmääruses (EL 2016/679) ja teistes andmekaitse õigusaktides sätestatud nõuetele.

Meeskonnaliikmete andmete esitamine on vajalik sõlmitava hankelepingu korrektseks täitmiseks ning hankelepingu sõlmimisele eelneva riigihanke menetluse õiguspäraseks läbiviimiseks. Hankija nõuab riigihankes meeskonnaliikmete kohta andmete esitamist veendumaks meeskonnaliikmete vastavuses riigihanke alusdokumentides sätestatud tingimustele ja ettevõtja võimekuses täita korrektselt sõlmitav hankeleping, mille vahetul täitmisel osalevad meeskonnaliikmed isiklikult. Hankija kasutab meeskonnaliikmete kohta käivaid andmeid üksnes riigihanke menetluses ning sõlmitavas hankelepingus.
