Executive Visit to Estonia for Global Cloud and AI Infrastructure Leaders

Dear Leaders in Cloud and AI Infrastructure,

On behalf of the Ministry of Economic Affairs and Communications and Enterprise Estonia, we are pleased to invite you to join an exclusive visit to Tallinn, Estonia, from **November 3–6, 2026**, in connection with the [Tallinn Digital Summit](#), taking place on **November 5–6, 2026**. Visit's program is designed for a selected group of global digital infrastructure companies considering future investments, infrastructure development, or strategic partnerships in Europe. Estonia offers a distinctive environment for cloud, data, and AI businesses. Its advantages include a digitally advanced public sector, secure and interoperable digital infrastructure, a strong cybersecurity and technology ecosystem, transparent institutions, and direct access to senior decision-makers.

Visit's program

Guests are invited to arrive in Tallinn by lunchtime on **November 3rd**. The program will begin with a high-level dinner hosted by Enterprise Estonia. On **November 4th**, the tailored executive program is planned to include:

- a meeting with the Prime Minister of the Republic of Estonia;
- discussions with relevant government and public-sector leaders;
- meetings with Estonia's cloud, data, AI, energy, connectivity and cybersecurity stakeholders;
- introductions to potential local partners, service providers and research organizations;
- discussions concerning Estonia's business environment, talent, infrastructure, and investment support.

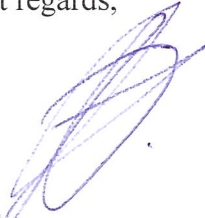

On **November 5–6**, participants are welcome to attend the Tallinn Digital Summit, one of Estonia's leading international forums for strategic dialogue on digital governance, emerging technologies, and trusted digital cooperation.

The visit will provide a confidential, decision-maker-level setting in which to assess Estonia's potential as a location for future cloud, data and AI operations.

Please let us know whether you would be available to attend the visit by the end of October 16th to Mrs Merit Simo, merit.simo@eis.ee. A detailed agenda and practical information will be shared with confirmed participants.

We look forward to welcoming you to Tallinn.

With best regards,

Liina Vahtras
Minister of Economic Affairs and Industry
