

Vizulo Solutions SIA,
7a Ganību dambis, Rīga,
Latvia, LV-1045

Confirmation to: Elektrilevi tānavavalgustuse osakond, Tallinn.

All components used in VIZULO Stork and VIZULO Stork little brother street luminaires will be able to replace with the same components or they alternatives in the period of 10 years after sales.

In order to keep sufficient stock we will need Tallin City prognoses how many luminaires or they components they will need for each realized project separately.
