Dear Sir, / Dear Madam,

The European Commission has entrusted Wageningen University & Research ('the company') to conduct the study in subject, which is being carried out under a contract between the company and the Directorate-General for Agriculture and Rural Development.

Given the importance the Directorate-General for Agriculture and Rural Development attaches to this study, I would be grateful if all private and institutional contacts could offer their collaboration and provide the company with the information requested by the contractor. The terms of the contract require the company to treat with confidentiality any information and documents (except if publicly available), in any form, disclosed in writing or orally in relation to the implementation of the contract.

For further information on the study, please e-mail the Directorate-General for Agriculture and Rural Development with the title of the study in subject, at the following address: AGRI-EVALUATION@ec.europa.eu
