## *Location*

### *Lefkosia (Nicosia)*

Photo from: [Visit Cyprus](https://www.visitcyprus.gov.cy/)

Lefkosia (Nicosia) – the last divided capital of Europe, as part of it remains under illegal military occupation by Turkey – is a city where centuries of history meet a vibrant, cosmopolitan present. As the island’s administrative and business centre, it combines the energy of a modern European capital with the timeless charm of an ancient walled city.

At its heart lies the old town, encircled by impressive Venetian walls and heart-shaped bastions, offering a glimpse into the city’s medieval past. Narrow streets, traditional shops, and historic monuments sit alongside contemporary galleries, museums and cultural venues, reflecting Lefkosia’s dynamic character.

The modern city beyond the walls is fast-paced and forward-looking, home to major commercial and financial institutions. Its retail landscape spans from bustling shopping districts and malls to artisan quarters filled with local crafts. A diverse culinary scene and a vibrant nightlife, where cafés and bars coexist with centuries-old buildings, contribute to the city’s unique blend of old and new.

Beyond the urban centre, the wider Lefkosia region reveals a more peaceful side. Picturesque countryside and mountain villages offer opportunities for hiking, cycling and exploring traditional life in scenic surroundings. Stone-built homes, quiet trails and welcoming village squares invite visitors to experience the region’s rural charm.

With its many layers of history, culture and modern life, Lefkosia stands as the beating heart of Cyprus – a capital that bridges the past and the future.

The venue has been renovated to align with sustainable development standards and environmental best practices, offering a modern and eco-friendly setting for participants. ## DELEGATIONS, REGISTRATION AND ACREDITATION

### *Delegation format*

Participation in the Informal Meeting of the Ministers responsible for Cohesion Policy will follow the 1 + 2 format, referring to one (1) Head of Delegation and 2 accompanying delegates.

### *Registration & Accreditation*

To ensure secure and efficient access to the meeting venue, delegation members must be registered and accredited in advance through the Cyprus Presidency's dedicated online [Accreditation Platform](#).

For security reasons, access to the venue and other official parts of the programme will be granted **exclusively to accredited members of the delegation**.

Registration and accreditation will be managed centrally by the designated Delegation Accreditation Officer (DAO) through the Cyprus Presidency's dedicated online Accreditation Platform. The DAO will complete the required procedures on behalf of all delegation members within the established deadlines.

All personal data provided for accreditation will be processed in full compliance with the EU General Data Protection Regulation (GDPR). The Cyprus Presidency's personal data privacy notice can be accessed through the Accreditation Platform.

For any questions related to registration and accreditation, please do not hesitate to contact the Accreditation Team (contact details are provided in the last section).

## ***Delegation Accreditation Officer (DAO)***

The designated DAO will serve as the exclusive point of contact with the Cyprus Presidency on all matters regarding registration and accreditation.

To appoint the DAO, please submit their full name, telephone number and email address to [informalgaccohesion@cyprus2026eu.gov.cy](mailto:informalgaccohesion@cyprus2026eu.gov.cy) no later than the 11<sup>th</sup> of May 2026. Once appointed, the DAO will receive login credentials and detailed guidance for using the Accreditation Platform.

The Cyprus Presidency's dedicated Accreditation Platform will be used to manage all relevant delegation information, including personal details, accreditation, transportation arrangements as well as accommodation and dietary requirements.

It is the DAO's responsibility to ensure that all members of the delegation are duly registered and that all required information is submitted accurately by the 23<sup>rd</sup> May 2026. This includes indicating in the Accreditation Platform which registered delegate will serve as the +1 accompanying the Head of Delegation. By centralising this process, the Cyprus Presidency aims to guarantee smooth coordination and to facilitate the full and secure participation of each delegation in the meeting.

Following registration, the platform will remain accessible until three days prior to the commencement of the event, allowing delegations to enter their flight numbers and hotel accommodation details. Please note that once the registration period has closed, only the sections pertaining to flight details and hotel accommodation will remain available for editing.

## ***Pins and badges***

Upon arrival at Larnaka or Pafos International Airports, the Head of Delegation (HoD) will receive a pin and delegation members will receive badges.

The distribution of the pin for the HoD and the badge for one (1) accompanying delegate will take place through each delegation's designated Liaison Officer. The distribution of badges for the remaining accredited delegates will take place at the Cyprus Presidency's Information Points at Larnaka and Pafos International Airports.

Delegates arriving two days before the meeting or earlier are requested to collect their badge at the Late Accreditation Centre, which will operate outside the Filoxenia Conference Centre in Lefkosia.

All pins and badges are strictly personal and non-transferable and must be visible at all times within the official venue, designated means of transport and security areas and, generally, throughout all parts of the official programme.

Lost pins or badges should be reported immediately to the Accreditation Team via the contact details provided in the last section.

## **LIAISON OFFICERS**

Each delegation will be assigned Liaison Officers (LOs) by the Cyprus Presidency of the Council of the EU.

Under the guidance of coordinators, the LOs will serve as the main contact persons, delivering logistical support and assistance throughout the programme. Key responsibilities include:

- Distributing pins and badges
- Providing assistance at the venues and support throughout the programme
- Escorting the delegation to the airport for departure

Moreover, additional Liaison Officers will be present at the two Cyprus Presidency's Information Points at Larnaka and Pafos International Airports, at the meeting venue and the designated hotel as well as in the official transportation vehicles.

Contact details of the assigned LOs will be provided to each delegation through their Diplomatic Mission in Cyprus well ahead of the meeting.

## **SECURITY**

Security during the meeting will be ensured by the Cyprus Police, in close cooperation with all relevant national authorities.

Each delegation can accredit up to one (1) security officer via the Cyprus Presidency's dedicated Accreditation Platform, upon request.

Designated security zones and transportation vehicles will be accessible only to duly accredited members of the delegation wearing visibly valid badges at all times.

Every person entering the Filoxenia Conference Centre will be subject to mandatory security screening at each entry, including walk-through metal detector checks and X-ray screening of personal belongings and electronic devices.

Diplomatic Missions are required to follow the standard application procedure to obtain the necessary permits. In addition to this procedure, if a security officer of a Head of Delegation carries a weapon, this must also be disclosed through the Cyprus Presidency's dedicated Accreditation Platform.
