Greetings!

We have duly noted that the Honourable Minister will unfortunately be unable to attend the event due to prior commitments.

We are pleased to confirm that Estonia has been confirmed as Destination of the Year - Smart Tourism at the PATWA International Travel Awards 2027.

The award will be formally presented during the PATWA International Travel Awards ceremony at ITB Berlin 2027, on Wednesday, March 17th, 2027, from 2:30 pm to 5:00 pm.

May we kindly request you to confirm whether Estonia (as a destination) will be participating in the PATWA International Travel Awards 2027. Upon confirmation, a representative from the Tourism Board of Estonia may connect with us to complete the participation formalities, enabling our team to proceed with the necessary arrangements.

For our 27th edition, we have already received confirmations of participation from Tourism Ministers and destinations from around the world, and we would be delighted to welcome Estonia to this distinguished international gathering.

We look forward to receiving Estonias confirmation of participation at the earliest convenience.

Warm regards,
