

18101:001:0082
Võru metskond 116
Haanja küla, Rõuge vald, Võrumaa

The image is a technical site plan or map showing a construction area. It features several labeled locations and elevation points:

- Tamme** 18101:001:2580 (top center)
- Suure Munamäe vaate** 18101:001:3710 (left side, orange text)
- ELASA** (green text, below Suure Munamäe vaate)
- Sopa** 18101:001:2720 (bottom center)
- Võru metskond 117** 18101:001:0146 (top right)
- Võru metskond 116** 18101:001:0082 (bottom right)
- 500plast** (top right, near Võru metskond 117)
- A** (center, near a road intersection)
- 260.21**, **260.15**, **259.73**, **261.82**, **259.74**, **261.21**, **261.64**, **260.81**, **260.30**, **260.50**, **261.10**, **261.59**, **261.67**, **262.66**, **262.81**, **261.13-261.88**, **262.18**, **262.81**, **264.18**, **261.90**, **262.53** (various elevation points marked with dots and numbers)
- 261.13-261.88** (elevation range near Võru metskond 117)
- 264.18** (elevation point near Võru metskond 116)
- 261.90**, **262.53** (elevation points near the central building)
- 261.64** (elevation point near Sopa)
- 260.81**, **260.30**, **260.50**, **261.10**, **261.59**, **261.67** (elevation points along the road network)
- 262.66**, **262.81**, **261.13-261.88**, **262.18**, **262.81** (elevation points near the top right boundary)
- 264.18** (elevation point near the bottom right boundary)
- 261.90**, **262.53** (elevation points near the central building)
- 261.64** (elevation point near Sopa)
- 260.81**, **260.30**, **260.50**, **261.10**, **261.59**, **261.67** (elevation points along the road network)
- 262.66**, **262.81**, **261.13-261.88**, **262.18**, **262.81** (elevation points near the top right boundary)
- 264.18** (elevation point near the bottom right boundary)
- 261.90**, **262.53** (elevation points near the central building)
- 261.64** (elevation point near Sopa)
- 260.81**, **260.30**, **260.50**, **261.10**, **261.59**, **261.67** (elevation points along the road network)
- 262.66**, **262.81**, **261.13-261.88**, **262.18**, **262.81** (elevation points near the top right boundary)
- 264.18** (elevation point near the bottom right boundary)
- 261.90**, **262.53** (elevation points near the central building)
- 261.64** (elevation point near Sopa)
- 260.81**, **260.30**, **260.50**, **261.10**, **261.59**, **261.67** (elevation points along the road network)
- 262.66**, **262.81**, **261.13-261.88**, **262.18**, **262.81** (elevation points near the top right boundary)
- 264.18** (elevation point near the bottom right boundary)
- 261.90**, **262.53** (elevation points near the central building)
- 261.64** (elevation point near Sopa)
- 260.81**, **260.30**, **260.50**, **261.10**, **261.59**, **261.67** (elevation points along the road network)
- 262.66**, **262.81**, **261.13-261.88**, **262.18**, **262.81** (elevation points near the top right boundary)
- 264.18** (elevation point near the bottom right boundary)
- 261.90**, **262.53** (elevation points near the central building)
- 261.64** (elevation point near Sopa)
- 260.81**, **260.30**, **260.50**, **261.10**, **261.59**, **261.67** (elevation points along the road network)
- 262.66**, **262.81**, **261.13-261.88**, **262.18**, **262.81** (elevation points near the top right boundary)
- 264.18** (elevation point near the bottom right boundary)
- 261.90**, **262.53** (elevation points near the central building)
- 261.64** (elevation point near Sopa)
- 260.81**, **260.30**, **260.50**, **261.10**, **261.59**, **261.67** (elevation points along the road network)
- 262.66**, **262.81**, **261.13-261.88**, **262.18**, **262.81** (elevation points near the top right boundary)
- 264.18** (elevation point near the bottom right boundary)
- 261.90**, **262.53** (elevation points near the central building)
- 261.64** (elevation point near Sopa)
- 260.81**, **260.30**, **260.50**, **261.10**, **261.59**, **261.67** (elevation points along the road network)
- 262.66**, **262.81**, **261.13-261.88**, **262.18**, **262.81** (elevation points near the top right boundary)
- 264.18** (elevation point near the bottom right boundary)
- 261.90**, **262.53** (elevation points near the central building)
- 261.64** (elevation point near Sopa)
- 260.81**, **260.30**, **260.50**, **261.10**, **261.59**, **261.67** (elevation points along the road network)
- 262.66**, **262.81**, **261.13-261.88**, **262.18**, **262.81** (elevation points near the top right boundary)
- 264.18** (elevation point near the bottom right boundary)
- 261.90**, **262.53** (elevation points near the central building)
- 261.64** (elevation point near Sopa)
- 260.81**, **260.30**, **260.50**, **261.10**, **261.59**, **261.67** (elevation points along the road network)
- 262.66**, **262.81**, **261.13-261.88**, **262.18**, **262.81** (elevation points near the top right boundary)
- 264.18** (elevation point near the bottom right boundary)
- 261.90**, **262.53** (elevation points near the central building)
- 261.64** (elevation point near Sopa)
- 260.81**, **260.30**, **260.50**, **261.10**, **261.59**, **261.67** (elevation points along the road network)
- 262.66**, **262.81**, **261.13-261.88**, **262.18**, **262.81** (elevation points near the top right boundary)
- 264.18** (elevation point near the bottom right boundary)
- 261.90**, **262.53** (elevation points near the central building)
- 261.64** (elevation point near Sopa)
- 260.81**, **260.30**, **260.50**, **261.10**, **261.59**, **261.67** (elevation points along the road network)
- 262.66**, **262.81**, **261.13-261.88**, **262.18**, **262.81** (elevation points near the top right boundary)
- 264.18** (elevation point near the bottom right boundary)
- 261.90**, **262.53** (elevation points near the central building)
- 261.64** (elevation point near Sopa)
- 260.81**, **260.30**, **260.50**, **261.10**, **261.59**, **261.67** (elevation points along the road network)
- 262.66**, **262.81**, **261.13-261.88**, **262.18**, **262.81** (elevation points near the top right boundary)
- 264.18** (elevation point near the bottom right boundary)
- 261.90**, **262.53** (elevation points near the central building)
- 261.64** (elevation point near Sopa)
- 260.81**, **260.30**, **260.50**, **261.10**, **261.59**, **261.67** (elevation points along the road network)
- 262.66**, **262.**
