

Chişinău, 5 April, 2024

Dear Kaja,

It is my great pleasure to extend an invitation to you to join us as a distinguished guest and speaker at *Moldova Digital Summit 2024 - Powering a 100% Digital Tomorrow*, set to take place in Chişinău, from 6 - 8 June 2024, at the Chişinău Arena.

This year's theme emphasizes a holistic transformation, aiming for the full integration of digital technologies across government, society, and the economy with talks and expo areas centered around 4 key drivers of a digital society: Government, Business, Skills, and Infrastructure.

The Moldova Digital Summit is one of the most significant national events whose purpose is to bring together key stakeholders from the public and private sectors, locally and internationally, to explore the latest trends and best practices in digital transformation. The summit is backing of the Ministry of Economic Development and Digitalization.

The Government of Estonia is a formidable example and strategic partner to our digital transformation efforts. We will be honored if you would grace us by joining a panel on the first day of the summit, on June 6th, focusing on our countries' journeys toward digital leadership and further strengthening the collaboration between our nations.

I sincerely hope you will accept this invitation to participate to this landmark event and lend your insights in delivering transformative change in the public and private sectors to the Moldovan government, business, and society.

Looking forward to meeting you soon in Chişinău, please accept, Madame Prime Minister, the assurance of my highest consideration.

Yours sincerely,

Dorin RECEAN

H.E. MRS KAJA KALLAS
PRIME MINISTER OF THE REPUBLIC OF ESTONIA
