**Object : Mereseiresüsteemi Audit – Ref : 198161 Request for submission date extension**

Dear Mrs. Idnurm,

On behalf of Airbus Defence and Space GmbH, I would like to express the strong interest the group has in participating to the Mereseiresüsteemi Audit (Ref : 198161) tender.

Additionally, we would like to request for a 4 week postponement of the bid submission date currently set on July 23<sup>rd</sup>, 2018. Indeed, notably due to the lead time for the translation of the RFP and bid documents, Airbus Defence and Space GmbH requires additional time to submit its proposal.

While waiting for Politsei- ja Piirivalveamet's answer, we thank you in advance for your understanding. Please be assured of our highest regards.

Sincerely Yours,

Nicolas Garnier
