The suggested time slots are as follows-

  - (2) May 27 (Mon) 11:00 - 12:00 or 15:00 - 17:00

  - (5) May 30 (Thur) morning time or 14:00 - 18:00
2. Suggesting an open or private photo and gift exchange opportunity between the leader of your delegation and Minister Hsueh before or after the talk, in which your delegate might like to make a short remark or answer media questions to show your support of Taiwan's professional participation. If these are beyond the scope of your planning, an alternative arrangement would be for our party to issue a press release expressing our appreciation to your delegation for making the bilateral talk available.
