**H.E. Heidy Purga**  
**Minister for Culture of the Republic of Estonia**

**Your Excellency,**

We are honored to invite you to participate at the 2nd High-Level Ministerial Dialogue on Culture-Based Climate Action, to be held on November 15, 2024, in Baku, Azerbaijan, during the 29th Conference of the Parties (COP29) to the United Nations Framework Convention on Climate Change (UNFCCC).

This High-Level Meeting will build on the achievements of last year's meeting, aiming to foster dialogue and build consensus on the critical role of culture in addressing climate change and accelerating global adaptation efforts.

Recognizing the imperative for collective and all-inclusive efforts to urgently address climate change, we believe culture to be a powerful force shaping values and behaviors and playing a vital role in driving transformative climate change.

Your participation at this meeting will be invaluable in shaping the future of culture-based climate action. We look forward to welcoming you to this important event. Participants are kindly requested to provide the completed registration form to the [registration@culture.az](mailto:registration@culture.az) by October 20.

The concept note, information note, and registration form for the 2nd High-Level Ministerial Dialogue on Culture-Based Climate Action are attached herewith.

**Sincerely,**

**Mukhtar Babayev**  
COP29 President-Designate

**Adil Karimli**
