Your ref 28.02.2025

Our ref 04.03.2025 nr 17.1-3/25/3470-3

**TO WHOM IT MAY CONCERN**

This is to certify that the Estonian Transport Administration permits, under the authority of Chapter III / Regulation 2.1 of SOLAS 1974 (as amended), **M/V SILJA EUROPA** (IMO 8919805) to have more persons onboard as currently allowed by the Passenger Ship Safety Certificate (issued by Bureau Veritas for short international voyages and valid **until 04.03.2026**) while the ship is alongside and used only as shoreside accommodation vessel (floating hotel).

Vessel may reduce life-saving appliances required by Record of Equipment (Form P – supplement to the Passenger Ship Safety Certificate) issued by Bureau Veritas for the purpose of regular service ashore (MES systems and inflatable liferats). Vessel evacuation arrangement must be modified to facilitate evacuation in any kind of emergency situation.

**Whenever vessel will proceed to sea, maximum number of persons allowed on board will be strictly as per Passenger Ship Safety Certificate and the life-saving appliances required by Record of Equipment must be restored.**

Yours sincerely

(Digitally signed)  
Jan Jaanson  
Head of Shipping Department
