**Subject: Mid-Term Review allocations to your BMVI and ISF Programmes**

Dear Mr Miilits,

Article 17(2) of the Asylum Migration and Integration Fund (AMIF) Regulation <sup>(1)</sup>, Article 14(2) of the Border Management and Visa Instrument (BMVI) Regulation <sup>(2)</sup> and Article 14(2) of the Internal Security Fund (ISF) Regulation <sup>(3)</sup> establish the condition under which an AMIF, BMVI or ISF programme, respectively, can qualify for the additional mid-term review allocations referred to in point (b) of Article 13(1) of the AMIF Regulation, point (b) of Article 10(1) of the BMVI Regulation and point (b) of Article 10(1) of the ISF Regulation, respectively.

They are attributed to the years 2025, 2026 and 2027 and are intended to be formally adopted soon through a Commission Adopting Decision.

Where applicable, your AMIF, BMVI and ISF programmes will have to be amended to integrate the respective mid-term allocations. The Commission is in parallel intending to allocate funding from the AMIF and BMVI Thematic Facilities to Member States, to support their efforts in implementing the Pact on migration and asylum and hosting displaced persons from Ukraine. To minimise the administrative and procedural burden, we envisage to combine the programming of these amounts with the programming of the mid-term allocations for which you qualify, i.e., to cover both within one single
