Dear RMK team,
Hei RMK Keskus ,

I hope this message finds you well.
Loodan, et see sõnum leiab teid hästi.

I am part of a wooden products supply chain and have traced a batch of timber back to your organization, could you please send us the GPS coordinates (latitude and longitude) of the FSC certificated forest? Thanks you!
Olen osa puittoodete tarneahelast ja olen jälginud puidupartiid tagasi teie organisatsiooni, kas te võiksite palun saata meile FSC sertifikaadiga metsa GPS-koordinaadid (laius- ja pikkuskraadid)? Aitäh!

Thank you for your understanding and cooperation.
Täname teid mõistva suhtumise ja koostöö eest.

Thanks & Best regards,
Tänud & Parimate soovidega,

Hattie H.
