

REPUBLIC OF ESTONIA  
POLICE AND BORDER GUARD BOARD

Chief Inspector Waldemar Wołowicz  
Regional Police Commander in Radom  
37/59 11 Listopada Street  
26-600 Radom, Poland

Our ref 16.02.2024 no 1.13-1/328-2

### **Letter of Intent**

By submitting this letter, Estonia Police and Border Guard Board expresses its support for the project proposal "ACTIVE SHOOTER - service actions in the face of an attack", which will be submitted by the Regional Police Headquarters in Radom by 8 March 2024, under the Internal Security Fund programme 2021-2027 within the framework of Specific Objective 3 – Preventing and combating crime.

The main objective of the project is to improve the competence of police officers in reacting to situations of contemporary non-standard threats.

Within the framework of the "ACTIVE SHOOTER - actions of services in the face of an attack" project, it is planned to organise a series of training courses for officers of basic police units, i.e. patrol, intervention, patrol and intervention, intelligence units, technicians, police officers of police prevention units, independent prevention subdivisions and criminal division. The project also aims to strengthen cooperation with other institutions and to familiarise with good practices.

The project activities were divided into IV training modules, addressing the following topics:

- Taking combat action in situations of non-standard threats;
- Improving the competencies of officers of the external service and the criminal division in the case of threats related with an attack of a mass murderer;
- Improving reconnaissance and operational activities of officers in terms of revealing and securing traces at the scene of an explosive device explosion;
- Improving the competences of police preventive officers in the area of recognition and response in the case of an action of an "active killer", assassin, terrorist, psychological aspects, mechanisms of occurrence, consequences.

Training activities will be based on previous experience of police units in European countries where similar incidents took place, i.e. the Czech Republic, the United Kingdom, Iceland, Slovenia, Slovakia and Portugal.

The assumptions of the project "ACTIVE SHOOTER - actions of services in the face of an attack" perfectly fit into the profile of activity of Estonia Police and Border Guard Board, and the possibility of engaging in particular project activities will contribute to in the individual activities of the project will contribute to the m.in. strengthening of cooperation and exchange of good practices.

Estonia Police and Border Guard Board, confirms that it is interested in participating within the scope proposed below:

- Providing the contribution of the substantive in the project, within the implementation of the educational activities (as an trainer / expert/);
- Supporting and disseminating the project results to other practitioners and stakeholders;
- Analysing the possibility of using the project results if they prove interesting and effective.

The coordinator will provide a budget for institutions that have expressed a desire to participate in the project in the above. This budget will be allocated mi.in. to cover the costs of accommodation and catering in connection with participation in selected training modules.

The above intention is only applicable if the project receives funding.

Yours sincerely,

Kristi Hallas  
Deputy Director General for Development
