2.2 **Cross-Series Modification**

In the case of a Cross-Series Modification, the Terms of Bond of a Series and Debt Securities of any other series, and any agreement governing the issuance or administration of the Bonds of a Series or Debt Securities of such other series, may be modified in relation to a Reserved Matter with the consent of the Issuer and:

2.3 **Proposed Cross-Series Modification**

A proposed Cross-Series Modification may include one or more proposed alternative modifications of the terms and conditions of each affected series of Debt Securities or of any agreement governing the issuance or administration of any affected series of Debt Securities, provided that all such proposed alternative modifications are addressed to, and may be accepted by, any holder of any Debt Security of any affected series.

2.4 **Partial Cross-Series Modification**

If a proposed Cross-Series Modification is not approved in relation to a Reserved Matter in accordance with paragraph 2.2, but would have been so approved if the proposed modification had involved only the Bonds of a Series and one or more, but less than all, of the other series of Debt Securities affected by the proposed modification, that Cross-Series Modification will be deemed to have been approved, notwithstanding paragraph 2.2, in relation to the Bonds of such Series and Debt Securities of each other series whose modification would have been approved in accordance with paragraph 2.2 if the proposed modification had involved only the Bonds of such Series and Debt Securities of such other series, provided that:

- 2.4.1 prior to the Record Date for the proposed Cross-Series Modification, the Issuer has publicly notified holders of the Bonds of such Series and other affected Debt Securities of the conditions under which the proposed Cross-Series Modification will be deemed to have been approved if it is approved in the manner described above in relation to the Bonds of such Series and some but not all of the other affected series of Debt Securities; and

2.7 Outstanding Bonds

In determining how many Bonds are outstanding or whether holders of the requisite principal amount of outstanding Bonds of a Series have voted in favour of a proposed modification or whether a quorum is present at any meeting of Bondholders of a Series called to vote on a proposed modification, a Bond of a Series will be deemed to be not outstanding, and may not be voted for or against a proposed modification or counted in determining whether a quorum is present, if, on the Record Date for the proposed modification:

- 2.7.1 the Bond has previously been cancelled;
- 2.7.2 the Bonds has previously been called for redemption in accordance with its terms or previously become due and payable at maturity or otherwise and the Issuer has previously satisfied its obligation to make all payments due in respect of the Bond in accordance with its terms;

2.7.4 the Bond is held by the Issuer, by a department, ministry or agency of the Issuer, or by a corporation, trust or other legal entity that is controlled by the Issuer or a department, ministry or agency of the Issuer and, in the case of a Bond held by any such above-mentioned corporation, trust or other legal entity, the holder of the Bond does not have autonomy of decision, where:

- (i) the holder of a Bond for these purposes is the entity legally entitled to vote the Bond for or against a proposed modification or, if different, the entity whose consent or instruction is by contract required, directly or indirectly, for the legally entitled holder to vote the Bond for or against a proposed modification;
- (ii) a corporation, trust or other legal entity is controlled by the Issuer or by a department, ministry or agency of the Issuer if the Issuer or any department, ministry or agency of the Issuer has the power, directly or indirectly, through the ownership of voting securities or other ownership interests, by contract or otherwise, to direct the management of, or elect or appoint a majority of, the board of directors or other persons performing similar functions in lieu of, or in addition to, the board of directors of that legal entity; and
- (iii) the holder of a Bond has autonomy of decision if, under applicable law, rules or regulations and independent of any direct or indirect obligation the holder may have in relation to the Issuer:
 - (A) the holder may not, directly or indirectly, take instruction from the Issuer on how to vote on a proposed modification; or
 - (B) the holder, in determining how to vote on a proposed modification, is required to act in accordance with an objective prudential standard, in the interest of all of its stakeholders or in the holder's own interest; or
 - (C) the holder owes a fiduciary or similar duty to vote on a proposed modification in the interest of one or more persons other than a person whose holdings of Bonds (if that person then held any Bonds) would be deemed to be not outstanding under this paragraph 2.7.

2.8 **Outstanding Debt Securities**

In determining whether holders of the requisite principal amount of outstanding Debt Securities of another series have voted in favour of a proposed Cross-Series Modification or whether a quorum is present at any meeting of the holders of such Debt Securities called to vote on a proposed Cross-Series Modification, an affected Debt Security will be deemed to be not outstanding, and may not be voted for or against a proposed Cross-Series Modification or counted in determining whether a quorum is present, in accordance with the applicable terms and conditions of that Debt Security.

2.9 **Entities having autonomy of decision**

For transparency purposes, the Issuer will publish, promptly following the Issuer's formal announcement of any proposed modification of the Bonds of any Series, but in no event less than 10 days prior to the Record Date for the proposed modification, a list identifying each corporation, trust or other legal entity that, for purposes of paragraph 2.7.4:

- 2.9.1 is then controlled by the Issuer or by a department, ministry or agency of the Issuer;
- 2.9.2 has, in response to an enquiry from the Issuer, reported to the Issuer that it is then the holder of one or more Bonds; and
- 2.9.3 does not have autonomy of decision in respect of its holdings of the relevant Bonds.

2.10 Exchange and Conversion

Any duly approved modification of the Terms of the Bonds of a Series may be implemented by means of a mandatory exchange or conversion of the Bonds of such Series for new Debt Securities containing the modified terms and conditions if the proposed exchange or conversion is notified to Bondholders of such Series prior to the Record Date for the proposed modification. Any conversion or exchange undertaken to implement a duly approved modification will be binding on all Bondholders of such Series.

3. Tabulation Agent

3.1 Appointment and Responsibility

The Issuer will appoint a person (the "**Tabulation Agent**") to calculate whether a proposed modification has been approved by the requisite principal amount of outstanding Bonds of a Series and, in the case of a Cross-Series Modification, by the requisite principal amount of outstanding Debt Securities of each affected series of Debt Securities. In the case of a Cross-Series Modification, the same person will be appointed as the Tabulation Agent for the proposed modification of the Bonds of a Series and each other affected series of Debt Securities.

3.2 Certificate

The Issuer will provide to the Tabulation Agent and publish, prior to the date of any meeting called to vote on a proposed modification or the date fixed by the Issuer for the signing of a written resolution in relation to a proposed modification, a certificate:

- 3.2.1 listing the total principal amount of Bonds of the relevant Series and, in the case of a Cross-Series Modification, Debt Securities of each other affected series outstanding on the Record Date for purposes of paragraph 2.7;
- 3.2.2 specifying the total principal amount of Bonds of the relevant Series and, in the case of a Cross-Series Modification, Debt Securities of each other affected series that are deemed under paragraph 2.7.4 to be not outstanding on the Record Date; and

- 3.2.3 identifying the holders of the Bonds of the relevant Series and, in the case of a Cross-Series Modification, Debt Securities of each other affected series, referred to in paragraph 3.2.2, determined, if applicable, in accordance with the provisions of paragraph 2.6.

3.3 Reliance

The Tabulation Agent may rely on any information contained in the certificate provided by the Issuer, and that information will be conclusive and binding on the Issuer and the Bondholders of the relevant Series unless:

- 3.3.1 an affected Bondholder of such Series delivers a substantiated written objection to the Issuer in relation to the certificate before the vote on a proposed modification or the signing of a written resolution in relation to a proposed modification; and
- 3.3.2 that written objection, if sustained, would affect the outcome of the vote taken or the written resolution signed in relation to the proposed modification.

In the event a substantiated written objection is timely delivered, any information relied on by the Tabulation Agent will nonetheless be conclusive and binding on the Issuer and affected Bondholders of such Series if:

- (a) the objection is subsequently withdrawn;
- (b) the Bondholder of such series that delivered the objection does not commence legal action in respect of the objection before a court of competent jurisdiction within 15 days of the publication of the results of the vote taken or the written resolution signed in relation to the proposed modification; or
- (c) a court of competent jurisdiction subsequently rules either that the objection is not substantiated or would not in any event have affected the outcome of the vote taken or the written resolution signed in relation to the proposed modification.

3.4 Publication

The Issuer will arrange for the publication of the results of the calculations made by the Tabulation Agent in relation to a proposed modification promptly following the meeting called to consider that modification or, if applicable, the date fixed by the Issuer for signing a written resolution in respect of that modification.

4. Bondholder Meetings; Written Resolutions

4.1 General

The provisions set out below, and any additional rules adopted and published by the Issuer, will, to the extent consistent with the provisions set out below, apply to any meeting of Bondholders of any Series called to vote on a proposed modification and to any written resolution adopted in connection with a proposed modification. Any action contemplated in this paragraph 4 to be taken by the Issuer may instead be taken by an agent acting on behalf of the Issuer.

4.2 Convening Meetings

A meeting of Bondholders of a Series:

- 4.2.1 may be convened by the Issuer at any time; and
- 4.2.2 will be convened by the Issuer if an Event of Default in relation to the Bonds has occurred and is continuing and a meeting is requested in writing by the holders of not less than 10 per cent. of the aggregate principal amount of the Bonds of the relevant Series then outstanding.

4.3 Notice of Meetings

The notice convening a meeting of Bondholders of a Series will be published by the Issuer at least 21 days prior to the date of the meeting or, in the case of an adjourned meeting, at least 14 days prior to the date of the adjourned meeting. The notice will:

- 4.3.2 set out the agenda and quorum for, and the text of any resolutions proposed to be adopted at, the meeting;
- 4.3.3 specify the Record Date for the meeting, being not more than five Business Days before the date of the meeting, and the documents required to be produced by a Bondholder in order to be entitled to participate in the meeting;
- 4.3.4 include the form of instrument to be used to appoint a proxy to act on a Bondholder's behalf;
- 4.3.5 set out any additional rules adopted by the Issuer for the convening and holding of the meeting and, if applicable, the conditions under which a Cross-Series Modification will be deemed to have been satisfied if it is approved as to some but not all of the affected series of Debt Securities; and
- 4.3.6 identify the person appointed as the Tabulation Agent for any proposed modification to be voted on at the meeting.

4.4 Cancellation of meeting

A meeting that has been validly convened in accordance with paragraph 4.2, may be cancelled by the person who convened such meeting by giving at least seven days' notice (exclusive of the day on which the notice is given and of the day of the meeting) to the Bondholders. Any meeting cancelled in accordance with this paragraph 4.4 shall be deemed not to have been convened.

4.5 Chair

The chair of any meeting of Bondholders of a Series will be appointed:

4.5.1 by the Issuer; or

4.5.2 if the Issuer fails to appoint a chair or the person nominated by the Issuer is not present at the meeting, by holders of more than 50 per cent. of the aggregate principal amount of the Bonds of the relevant Series then outstanding represented at the meeting.

4.6 Quorum

No business will be transacted at any meeting in the absence of a quorum other than the choosing of a chair if one has not been appointed by the Issuer. The quorum at any meeting at which Bondholders of any Series will vote on a proposed modification to, or a proposed modification of:

4.6.1 a Reserved Matter will be one or more persons present or represented at the meeting and holding not less than $66\frac{2}{3}$ per cent. of the aggregate principal amount of the Bonds of such Series then outstanding; and

Where a meeting is subject to a quorum pursuant to paragraph 4.6, if a quorum is not present within 30 minutes of the time appointed for a meeting, the meeting may be adjourned for a period of not more than 42 days and not less than 14 days as determined by the chair of the meeting. The quorum for any adjourned meeting will be one or more persons present and holding:

4.7.1 not less than $66\frac{2}{3}$ per cent. of the aggregate principal amount of the Bonds of the relevant Series then outstanding in the case of a proposed Reserved Matter modification; and

4.7.2 not less than 25 per cent. of the aggregate principal amount of the Bonds of the relevant Series then outstanding in the case of a non-Reserved Matter modification.

4.8 Written Resolutions

A written resolution signed by or on behalf of holders of the requisite majority of the Bonds of a Series will be valid for all purposes as if it was a resolution passed at a meeting of Bondholders of such Series duly convened and held in accordance with these provisions. A written resolution may be set out in one or more documents in like form each signed by or on behalf of one or more Bondholders of such Series.

4.9 Entitlement to Vote

Any person who is a holder of an outstanding Bond of a Series on the Record Date for a proposed modification, and any person duly appointed as a proxy by a holder of an outstanding Bond of a Series on the Record Date for a proposed modification, will be

entitled to vote on the proposed modification at a meeting of Bondholders of such Series and to sign a written resolution with respect to the proposed modification.

4.10 Voting

Every proposed modification will be submitted to a vote of the holders of outstanding Bonds of the relevant Series represented at a duly called meeting or to a vote of the holders of all outstanding Bonds of the relevant Series by means of a written resolution without the need for a meeting. A holder may cast votes on each proposed modification equal in number to the principal amount of the holder's outstanding Bonds of such Series.

For these purposes of a Cross-Series Modification involving a Zero Coupon Obligation, the principal amount of each such Zero Coupon Obligation will be determined in accordance with paragraph 2.6.2.

4.11 Proxies

Each holder of an outstanding Bond may, by an instrument in writing executed on behalf of the holder and delivered to the Issuer not less than 48 hours before the time fixed for a meeting of Bondholders or the signing of a written resolution, appoint any person (a “**proxy**”) to act on the holder's behalf in connection with any meeting of Bondholders at which the holder is entitled to vote or the signing of any written resolution that the holder is entitled to sign. 4.13 Binding Effect

A resolution duly passed at a meeting of holders convened and held in accordance with these provisions, and a written resolution duly signed by the requisite majority of Bondholders of a Series, will be binding on all Bondholders of such Series, whether or not the holder was present at the meeting, voted for or against the resolution or signed the written resolution.

4.14 Manifest Error, Technical Amendments, etc.

Notwithstanding anything to the contrary herein, the terms and conditions of the Bonds of a Series and any agreement governing the issuance or administration of the Bonds of a Series may be modified by the Issuer without the consent of Bondholders of such Series:

4.14.1 to correct a manifest error or cure an ambiguity; or

4.14.2 if the modification is of a formal or technical nature or for the benefit of Bondholders of such Series.

- 2.6.2 For purposes of paragraph 2.6.1 above, the present value of a Zero Coupon Obligation is determined by discounting the nominal amount (or, if applicable, the adjusted nominal amount) of that Zero Coupon Obligation from its stated maturity date to the Record Date at the specified discount rate using the applicable market day-count convention, where the specified discount rate is the yield to maturity of that Zero Coupon Obligation at issuance or, if more than one tranche of that Zero Coupon Obligation has been issued, the yield to maturity of that Zero Coupon Obligation at the arithmetic average of all the issue prices of all the Zero Coupon Obligations of that series of Zero Coupon Obligations weighted by their nominal amounts.

2.7 Outstanding Bonds

In determining how many Bonds are outstanding or whether holders of the requisite principal amount of outstanding Bonds of a Series have voted in favour of a proposed modification or whether a quorum (whether or not required) is present at any meeting of Bondholders of a Series called to vote on a proposed modification, a Bond of a Series will be deemed to be not outstanding, and may not be voted for or against a proposed modification or counted in determining whether a quorum is present, if, on the Record Date for the proposed modification:

- 2.7.1 the Bond has previously been cancelled;
- 2.7.2 the Bond has previously been called for redemption in accordance with its terms or previously become due and payable at maturity or otherwise and the Issuer has previously satisfied its obligation to make all payments due in respect of the Bond in accordance with its terms;

- 2.7.4 the Bond is held by the Issuer, by a department, ministry or agency of the Issuer, or by a corporation, trust or other legal entity that is controlled by the Issuer or a department, ministry or agency of the Issuer and, in the case of a Bond held by any such above-mentioned corporation, trust or other legal entity, the holder of the Bond does not have autonomy of decision, where:
 - (i) the holder of a Bonds for these purposes is the entity legally entitled to vote the Bond for or against a proposed modification or, if different, the entity whose consent or instruction is by contract required, directly or indirectly, for the legally entitled holder to vote the Bond for or against a proposed modification; and
 - (ii) a corporation, trust or other legal entity is controlled by the Issuer or by a department, ministry or agency of the Issuer if the Issuer or any department, ministry or agency of the Issuer has the power, directly or indirectly, through the ownership of voting securities or other ownership interests, by contract or otherwise, to direct the management of, or elect or appoint a majority of, the board of directors or other persons performing similar functions in lieu of, or in addition to, the board of directors of that legal entity.

For the purposes of this paragraph 2.7.4, the holder of a Bond has autonomy of decision if, under applicable law, rules or regulations and independent of any direct or indirect obligation the holder may have in relation to the Issuer:

- (a) the holder may not, directly or indirectly, take instruction from the Issuer on how to vote on a proposed modification; or
- (b) the holder, in determining how to vote on a proposed modification, is required to act in accordance with an objective prudential standard, in the interest of all of its stakeholders or in the holder's own interest; or
- (c) the holder owes a fiduciary or similar duty to vote on a proposed modification in the interest of one or more persons other than a person whose holdings of

Bonds (if that person then held any Bonds) would be deemed to be not outstanding under this paragraph 2.7.

2.8 Outstanding Debt Securities

In determining whether holders of the requisite principal amount of outstanding Debt Securities of another series have voted in favour of a proposed Cross-Series Modification or whether a quorum is present at any meeting of the holders of such Debt Securities called to vote on a proposed Cross-Series Modification, an affected Debt Security will be deemed to be not outstanding, and may not be voted for or against a proposed Cross-Series Modification or counted in determining whether a quorum is present, in accordance with the applicable terms and conditions of that Debt Security.

2.9 Entities having autonomy of decision

For transparency purposes, the Issuer will publish, promptly following the Issuer's formal announcement of any proposed modification of the Bonds of any Series, but in no event less than 10 days prior to the Record Date for the proposed modification, a list identifying each corporation, trust or other legal entity that, for purposes of paragraph 2.7.4:

- 2.9.1 is then controlled by the Issuer or by a department, ministry or agency of the Issuer;
- 2.9.2 has, in response to an enquiry from the Issuer, reported to the Issuer that it is then the holder of one or more Bonds; and
- 2.9.3 does not have autonomy of decision in respect of its holdings of the relevant Bonds.

2.10 Exchange and Conversion

Any duly approved modification of the Terms of the Bonds of a Series may be implemented by means of a mandatory exchange or conversion of the Bonds of such Series for new Debt Securities containing the modified terms and conditions if the proposed exchange or conversion is notified to Bondholders of such Series prior to the Record Date for the proposed modification. Any conversion or exchange undertaken to implement a duly approved modification will be binding on all Bondholders of such Series.

3. Tabulation Agent

3.1 Appointment and Responsibility

The Issuer will appoint a person (the "**Tabulation Agent**") to calculate whether a proposed modification has been approved by the requisite principal amount of outstanding Bonds of a Series and, in the case of a Cross-Series Modification, by the requisite principal amount of outstanding Debt Securities of the Relevant Series. In the case of a Cross-Series Modification, the same person will be appointed as the Tabulation Agent for the proposed modification of the Bonds of a Series and each other Relevant Series.

determined, if applicable, in accordance with the provisions of paragraph 2.6.

3.3 Reliance

The Tabulation Agent may rely on any information contained in the certificate provided by the Issuer, and that information will be conclusive and binding on the Issuer and the Bondholders of the relevant Series unless:

- 3.3.1 an affected Bondholders of such Series delivers a substantiated written objection to the Issuer in relation to the certificate before the vote on a proposed modification or the signing of a written resolution in relation to a proposed modification; and
- 3.3.2 that written objection, if sustained, would affect the outcome of the vote taken or the written resolution signed in relation to the proposed modification.

In the event a substantiated written objection is timely delivered, any information relied on by the Tabulation Agent will nonetheless be conclusive and binding on the Issuer and affected Bondholders of such Series if:

- (a) the objection is subsequently withdrawn;
- (b) the Bondholder of such series that delivered the objection does not commence legal action in respect of the objection before a court of competent jurisdiction within 15 days of the publication of the results of the vote taken or the written resolution signed in relation to the proposed modification; or
- (c) a court of competent jurisdiction subsequently rules either that the objection is not substantiated or would not in any event have affected the outcome of the vote taken or the written resolution signed in relation to the proposed modification.

3.4 Publication

The Issuer will arrange for the publication of the results of the calculations made by the Tabulation Agent in relation to a proposed modification promptly following the meeting called to consider that modification or, if applicable, the date fixed by the Issuer for signing a written resolution in respect of that modification.

3.5 No Liability

All notifications, opinions, determinations, certificates, calculations quotations and decisions expressed, made or obtained for the purposes of this paragraph 3 by the Tabulation Agent will (in the absence of manifest error) be binding on the Issuer and the Bondholders and (subject as aforesaid) no liability to any such person will attach to the Tabulation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions for such purposes.

Where a meeting is subject to a quorum pursuant to paragraph 4.6, if a quorum is not present within 30 minutes of the time appointed for a meeting, the meeting may be adjourned for a period of not more than 42 days and not less than 14 days as determined by the chair of the meeting. The quorum for any adjourned meeting will be one or more persons present and holding:

4.7.1 not less than $66\frac{2}{3}$ per cent. of the aggregate principal amount of the Bonds of the relevant Series then outstanding in the case of a proposed Reserved Matter modification voted under paragraph 2.1; and

4.7.2 not less than 25 per cent. of the aggregate principal amount of the Bonds of the relevant Series then outstanding in the case of a non-Reserved Matter modification voted under paragraph 2.4.

This paragraph 4.7 shall not apply in relation to any Cross-Series Modification voted pursuant to paragraphs 2.2 or 2.5.

4.8 Written Resolutions

A written resolution signed by or on behalf of holders of the requisite majority of the Bonds of a Series will be valid for all purposes as if it was a resolution passed at a meeting of Bondholders of such Series duly convened and held in accordance with these provisions. A written resolution may be set out in one or more documents in like form each signed by or on behalf of one or more Bondholders of such Series.

4.9 Entitlement to Vote

Any person who is a holder of an outstanding Bond of a Series on the Record Date for a proposed modification, and any person duly appointed as a proxy by a holder of an outstanding Bond of a Series on the Record Date for a proposed modification, will be entitled to vote on the proposed modification at a meeting of Bondholders of such Series and to sign a written resolution with respect to the proposed modification.

4.10 Voting

Every proposed modification will be submitted to a vote of the holders of outstanding Bonds of the relevant Series represented at a duly called meeting or to a vote of the holders of all outstanding Bonds of the relevant Series by means of a written resolution without the need for a meeting. A holder may cast votes on each proposed modification equal in number to the principal amount of the holder's outstanding Bonds of such Series.

For these purposes in the case of a Cross-Series Modification involving a Zero Coupon Obligation, the principal amount of each such Zero Coupon Obligation will be determined in accordance with paragraph 2.6.2; and

4.11 Proxies

A holder of a Bond may, by an instrument in writing executed by or on behalf of the holder and delivered to the Issuer at least 48 hours before the time fixed for a meeting, appoint any person (a "**proxy**") to act on his behalf in connection with that meeting. A proxy need not be a Bondholder. Appointment of a proxy pursuant to any form other than the form enclosed with the notice of the meeting will not be valid for these purposes.

4.12 Legal Effect and Revocation of a Proxy

A proxy duly appointed in accordance with the above provisions will, subject to paragraph 2.7 and for so long as that appointment remains in force, be deemed to be (and the person who appointed that proxy will be deemed not to be) the holder of the Bonds to which that appointment relates, and any vote cast by a proxy will be valid, notwithstanding the prior revocation or amendment of the appointment of that proxy, unless the Issuer has received notice or has otherwise been informed of the revocation or amendment at least 48 hours before the time fixed for the commencement of the meeting at which the proxy intends to cast its vote or, if applicable, the signing of a written resolution.

4.13 Binding Effect

A resolution duly passed at a meeting of holders convened and held in accordance with these provisions, and a written resolution duly signed by the requisite majority of Bondholders of a Series, will be binding on all Bondholders of such Series, whether or not the holder was present at the meeting, voted for or against the resolution or signed the written resolution.

4.14 Manifest Error, Technical Amendments, etc.

Notwithstanding anything to the contrary herein, the terms and conditions of the Bonds of a Series and any agreement governing the issuance or administration of the Bonds of a Series may be modified by the Issuer without the consent of Bondholders of such Series:

4.14.1 to correct a manifest error or cure an ambiguity; or

4.14.2 if the modification is of a formal or technical nature or for the benefit of Bondholders of such Series.

The Issuer will publish the details of any modification of the Bonds of a Series made pursuant to this paragraph 4.14 within 10 days of the modification becoming legally effective.

4.15 Publication

The Issuer will, without undue delay, publish all duly adopted resolutions and written resolutions.
